

SCOOP GETS A SPLASH OF WESTERN COLOR IN HIS INTERVIEW

CLOSE GAME IS WON BY THE VISITORS

To the surprise of the fans, Fowler, Helena's pitcher, who worked so poorly on Wednesday, was sent in for the Vigilantes yesterday and he held the Kittens to only seven hits while his team won the third straight victory by the score of 3 to 1.

Rustenhaven was in great form for Ogden, with the exception of a few moments when two men scored after passes had been given. Perkins also suffered a slight attack of wildness and threw a bad ball, giving Helena another tally. Altogether, Ogden suffered an unfortunate day. Rustenhaven did his best and helped things along in his own favor by lining out two two-baggers and scoring the only run Ogden garnered. Helena got but five hits from his delivery.

Levy, having been released, Weaver was brought in to play second and Felix was sent out to right field. "Dad" Giffin was chased from the coaching line in the sixth inning by Umpire Frary. "Dad" was busily coaching, so he did not move when Cronin came his way after a foul ball. Cronin wasn't looking for coaches. He was looking at the ball. When Cronin collided with "Gim", the coacher began to object to rough treatment and Frary said, "beat it to the dog house."

Helena began to secure runs from the start and by the system that the first runs were made on Boosters' day. Heine Spencer was walked and was sacrificed by Cronin. Then Menges, that excellent cleanup hitter, singled and Spencer scored.

In the sixth inning, Menges was walked, but after Quigley had gone out Lussli singled. Menges had taken a good start and landed on third. Lussli went to second as a teaser and Perkins threw to center field to stop

him. The result was that Menges and Lussli scored.

Rustenhaven secured Ogden's run in the third inning after Perkins had gone down. "Rusty" sent out a two-bagger and Woolums, the next man, got busy in the pinch and scored, scoring "Rusty" from second. Woolums died on base, however, for Moorehead and Jones went out with ease.

COPPERS DEFEAT THE HIGHLANDERS

Butte, Mont., July 31.—Superb hitting at times when they meant runs, coupled with errors, gave Butte today's game, 6 to 3, from Missoula. Kellogg, who started for Butte, hit for two runs, and he hit two batsmen, causing his relief in the first inning. Robinson kept the visitors' hits so well scattered that they could not score again until the ninth, when Robinson eased up. Score:

ELECTRICS WALLOP THE SKYSCRAPERS

Salt Lake, July 31.—Costly errors by Murphy and Schimpff and a timely triple down the first base line by Kelly, gave Great Falls a 5 to 4 victory over Salt Lake here yesterday after one of the most exciting contests seen on Lucas Field this season. Although both were hit rather hard, Delhi and Morgan engaged in a keen pitchers' battle.

Salt Lake was first to score. In the opening round Spencer scored. He hit first on a walk and Dressan singled over short. Captain Huelsman, the man who has placed the Skyscrapers at the top of the league race, here pulled his "stunt" of over the fence for a homer, netting three.

Great Falls made four hits, in the fourth count for one score and in the sixth the visitors grabbed three going one into the lead. With Kelly down, Morgan hit Toner. Galena hit for three bases to right, scoring Toner. Weaver hit a high fly to Murphy who permitted the ball to trickles through his hands while Galena scored. Weaver went to second. Siner flew out to Spence, who made a brilliant

catch. Delhi walked and Galena scored Weaver with a pretty single over second.

Salt Lake tied the score in the sixth. Toner made a bad heave of Spencer's grounder and the latter was safe on Hester's lag. Leo Dressan then hit the right-center field fence for a triple, scoring Spencer. Huelsman and Pendleton struck out. Davis and Schimpff walked and Morgan also struck out.

The game then went along a tie until the ninth, when, with two down, Kelly hit down the first base line for three sacks. Toner, the next man up, hit an easy one through the box which Schimpff shouted "I've got out." Morgan stepped aside while Schimpff kicked the ball just far enough so that Kelly scored and Toner was safe at first. Toner was caught at second on Galena's fielders' choice.

Salt Lake came back strong in its half, but came to grief. After Schimpff had been an easy out, Siner to Hester, Erickson was sent in to hit for Morgan, and delivered with a dandy little single between short and right. McClain also followed with a single. Bauer hit to Potts, who retired McClain at second, and Spencer sent the fans home disappointed when he hit an easy one to Siner to put Bauer out at second.

BASEBALL

Reds Lose Second Game.
Cincinnati, O., July 31.—Philadelphia batted savagely today and easily won the second game of the series from Cincinnati 5 to 4. Brown began the game for Cincinnati but he proved easy and was taken out after the seventh inning. Herbert, a recruit succeeded Brown. Seaton pitched well up to the eighth inning when he was hammered for two singles, by the first two batters and gave runs on balls to the next two. One run was scored and the bases were filled when Rixey was called upon to relieve him. Rixey immediately struck out Shreckard, the first man to face him, Bedekhammer, the next man to bat sent out a long fly on which Clark came in, from third. Rixey then yanked up the inning by striking out Blackburn.

Parkert, Robert Hoblitzel hit well.

Cubs Again Beat Giants.
Chicago, July 31.—Chicago made it a one-out straight from New York today by taking the long end of a five to four score after a hard fought uphill battle. With the game apparently lost, the local men with the aid of pinch hitters managed to tie the count and force Ruben Marquard to retire. This retirement, however, proved a good thing for the New York pitcher inasmuch as his record of nine consecutive wins remain intact.

To Larry Cheney, the Chicago pitcher belongs the distinction of defeating the league leaders in both games. He blanked McGraw's men yesterday and today when he came to the mound with the score a tie, he held the enemy safe until Manager Evers scored the winning run. Jimmy Lavender started the game for Chicago and did not allow the visitors a hit until the fifth. In the following inning he weakened under the heavy attack of Captain Doyle's men and Moore, the former Philadelphia pitcher, took his place.

In the fourth inning Outfielder Burns was knocked unconscious with a thrown ball by Bridwell.

After several doctors were summoned, he regained consciousness and refused to be taken out of the game. The New York team is Larry Doyle's services of their captain, Larry Doyle

who is forced to remain on the bench as a result of a bruised heel which he sprained yesterday in the game when he came in contact with Zimmerman's spikes at third base.

Cleveland 5, Boston 2.
Boston, July 31.—Cleveland put an end to Boston's winning streak and took both games of a double header today, the first 5 to 2, and the second 4 to 2. Only one Cleveland player reached first base up to the second inning of the game, but in the seventh and eighth Biedert was hit hard and was relieved by Hall in the latter inning. Boston had men on bases in almost every inning, but Falckenburg was effective in the pinches.

Cleveland batted two Boston pitchers out of the box in the first inning of the second game and scored all its four runs in that period. Hall then held the visitors to two hits in eight innings. Although the champions made twelve hits off Blanding, fast fielding kept the runners from scoring except in the sixth inning. A one-hand running catch by Hooper in the first game was a feature.

Batteries—Falkenberg, Gregg and Carlsch; Biedert, Hall and Thomas.

Pirates 3, Dodgers 2.
Pittsburg, July 31.—Jack Miller's three-bagger with Komers and Wagner on the runways in the sixth inning was the deciding smash in tonight's game with the Brooklyn Dodgers. Miller's long hit lost for him. Brooklyn could do nothing with Robinson who has beaten them regularly for two years. A wonderful back running catch by Komers of Stengel's bid for a home run was a feature. Pittsburg has secured Pitcher Maurice Kent from Brooklyn by waver.

Brooklyn.....2 7 0
Pittsburg.....3 10 1
Batteries—Rucker, Curtis and O. Miller; Robinson and Gibson.

Braves Defeat Cardinals.
St. Louis, July 31.—"Rube" Geyer started to pitch for St. Louis this afternoon and before relinquishing the box to Sallee in the third inning, allowed Boston to score five runs, a lead which enabled them to take the game from St. Louis by a score of six to five. Sallee pitched a steady game, the only run scored off him being made by Lord on a drive to deep center.

Boston's first run was the result of two singles and an out in the second inning. Whaling and Perdue singled and scored with Maraville when the latter hit the scoreboard for a home run. In the third inning Smith walked, stole second and third and scored when Meyers singled. St. Louis tallied its first two runs as the result of errors and in the seventh inning three runs went across on a pass, a single, Whittet's triple and an out.

Lord hit three singles and a home run in five attempts. A one-hand catch against the left field fence by Maraville was a feature.

Tigers 4, Senators 1.
Washington, July 31.—Boehling was hit hard today and Detroit had little trouble winning the opening game of the series from Washington, 4 to 1. The defeat of Boehling came in the presence of a thousand "fans" who came from Richmond, Va., his home town, with a band to cheer him on. The day had been set aside as "Boehling" and the pitcher was presented with a handsome traveling bag from some of his local admirers.

Hall pitched shut out ball until the ninth inning, when he eased up, and Washington scored its only run, a two successive singles by Miller and Gandil. Detroit never was in danger.

R.H.E.
Detroit.....4 11 0
Washington.....1 4 1
Batteries—Hall and Stange; Boehling and Henry.

Browns Beat Athletics.
Philadelphia, July 31.—A batting rally in the sixth inning when Baumgardner and Pratt made doubles and Stoval and Balenti singles, enabled St. Louis to beat Philadelphia today by 4 to 2. The home players got a good start but spoiled their chances for a big bunch of runs in the first inning when Baumgardner caught Ed Murphy and Baker off second. After that Baumgardner was very effective and he was given grand support, especially by Balenti, Lavan and Austin. The visitors made six out of their eight hits counting the scoring and had only one man left on base. A running one hand stop by Collins, robbing Baumgardner of a hit was the best of a number of fine fielding plays.

Philadelphia.....3 8 0
Batteries—Baumgardner and Alexander; Plank and Lapp.

White Sox Lose to Yankees.
New York, July 31.—New York made it two straight over Chicago, winning the second game of the series by the score of 3 to 1. Caldwell, starting his first game for New York in

weeks, pitched excellent ball and won his initial victory of the season, boding the visitors to four hits.

The only run scored by Chicago resulted from an error by Hartzell in the fifth inning. Schalk made an infield hit in this inning, and Weaver was hit by a pitched ball. Cloutier forced Weaver at second, and when Hartzell threw wild, attempting to make a double play, Schalk scored.

New York won in the fifth, when Cloutier was knocked out of the box. Hartzell's pass and singles by Wolter and Daniels filled the bases with none out. Peckinpaugh also walked, forcing in Hartzell with the tying run. Scott then replaced Cloutier, and Wolter scored when Knight hit into a double play. Cree's double drove in Daniels with the third run of the inning.

A catch by Cree against the fence in the sixth inning and a catch by Chase of a bad throw by Weaver in the seventh were the features.

OBJECTS TO P. M. WITH THE MUMPS

Washington, Aug. 1.—A Republican postmaster is bad enough under a Democratic administration, but a Republican postmaster with the mumps is an affliction that good Democrats cannot tolerate without protest. This evidently is the conviction of certain residents of Almond, N. Y., one of whom has written to Senator O'Gorman, asking for the immediate removal of George P. Helmer, Republican postmaster there.

The request for Postmaster Helmer's removal came several days ago and Senator O'Gorman asked for a statement of the reasons for the office-holder's dismissal. He received reply today to the effect that Helmer had the mumps and was asserting and delivering mail with his head tied up. The writer said the residents of the town feared the contagion might spread.

The senator is in a quandary. He is said to feel that a man with the mumps is in misery enough without having his troubles added to through the loss of his job.

KAYSVILLE PIONEER HONORED BY MANY

Kaysville, July 31.—The eightieth birthday of Hon. John R. Barnes, one of Kaysville's pioneer citizens, was celebrated yesterday when a large gathering of friends in addition to members of the family assembled in the Kaysville opera house to do honor to the respected pioneer. Mr. Barnes has for years been a leading farmer, merchant, banker and churchman of Kaysville, and his prominence in the community made yesterday's event take on the nature of a holiday.

During the early afternoon there was a reunion of the members of the family to the number of about eighty at the family home, and an exchange of presents was a happy feature of this part of the day's program. The aged veteran presented each of his children with a substantial sum in the form of certificates of stock in various companies, and the family in turn presented the father with a beautiful diamond stud and a gold-mounted umbrella. Appropriate and impressive remarks accompanied the presenting of the gifts.

From 5 to 11 o'clock the family and about 200 guests were entertained at a supper and ball in the opera house. The main hall was profusely decorated with flowers and potted plants. Pink carnations were used in decorating the three long tables that filled the dancing floor. Christensen's Salt Lake orchestra was present and furnished music during the evening.

A short program was rendered, with John G. M. Barnes as master of ceremonies. The past, present and future of the life of Mr. Barnes was sketched by members of the family: Arthur F. Barnes of Salt Lake City treating the past, Claude T. Barnes of Salt Lake City touching the present, and Henry H. Blood of Kaysville speaking of the future. Toasts were responded to by R. W. Barnes of Kamas, George W. Barnes of Kaysville, Wilford S. Barnes of Salt Lake City, and Mrs. George E. Barton of Provo. Mrs. Minnie A. Blood gave a humorous paper, mentioning members of the family and guests. Musical numbers were given by Miss Heene Barnes, Arnold M. Barnes, Miss Mamie Barnes and Miss Rose Cheney. At the conclusion of this program John R. Barnes made a fitting address to those assembled, commenting feelingly on the eulogies that had been paid him by the speakers of the evening.

John R. Barnes was born at Sandy, Bedfordshire, England, July 28, 1833, and when twenty years of age came to Kaysville, where he has since lived for months, and has made his home here ever since. He early engaged in school teaching and farming, later entering the merchandising line, in which he has been continuously engaged. In 1891 he organized the Barnes Banking company and has been principal owner in that institution as well as in the Kaysville Co-operative store. He is a director in a number of important corporations in the state, including the Deseret National Bank, Z. C. M. I., Heber J.

Grant & Co., and others. His wife, Emily S. Barnes, is still living, and there are thirteen living children, forty grandchildren and seven great-grandchildren. He is hearty and vigorous, physically and mentally, and is still actively directing the various enterprises he has so long been identified with.

DEVOTES LIFE TO UPLIFT OF WOMEN

Los Angeles, Cal., July 31.—Mrs. Leah Delmon, formerly of the Salt Lake underworld, who was acquitted by the coroner's jury of killing her husband, Louis Delmon, when he insisted on her leading a life of shame for his private profit, appears to have no fear of what may happen to her and plans a life to be devoted to the uplift of other women.

"I shall devote my life to helping other women who are placed as I have been for the past eight years," said Mrs. Delmon.

"There is so little hope among women of the underworld. Talk to these women and they will tell you that the only escape from their life is through the grave."

"I have never believed this. I know that the stain is one that most people believe cannot be wiped out. That was the attitude of everyone toward me. My husband would not believe that any woman could reform. He could not understand that a woman of the street could even want to reform."

"I don't want to be a crank reformer. I don't even want to be known in the work. By the same token I am willing to be known as a woman who rose and fell and rose again, if it will be of benefit."

NATURAL QUESTION.

"Woman," growled the villain, "the crime is on your head."

"Is it on straight?" anxiously demanded the villainess.—Cincinnati Enquirer.

Switzerland, the Land of Scenic Splendors

No. 5. The Hospice of the Great St. Bernard

"Learn One Thing Every Day"

Copyright, 1913, by The Associated Newspaper School, Inc.

Eight thousand feet above the sea, far from their friends, and the smiling valleys of Switzerland, bound with the icy chains of winter for nine months of the year, beaten by bitter blizzards and gales, lives a little group of monks in the hospice of the Great St. Bernard on the pass of the same name. The duty of this brave little band is to receive strangers within their gates and to rescue travelers during the snowy season.

St. Bernard de Menthon founded the hospice on the pass in 962. It is the second highest winter habitation in the Alps. Ten or fifteen Augustine canons and seven attendants now live there. The famous St. Bernard dogs, whose keen sense of smell enables them to discover travelers buried in the snow, assist them in their noble work. Many are the rescues that have been made by these sagacious animals.

In the middle ages the monastery was rich; but now it has a hard time to meet expenses. About thirty thousand travelers are entertained free of charge annually. Each guest is supposed to deposit in an alms box a gift to the monastery. This gift should cover the expense of his entertainment, but the amount annually deposited barely pays for one-tenth of the number of people entertained.

The hospice itself consists of two buildings. One contains the church, the dwellings of the canons, and rooms for travelers, the other is an inn connected with the old building by a covered passage. Near the hospice is the morgue in which are placed bodies found in the snow.

To the west of the monastery is a small lake, which is sometimes frozen over even on summer mornings. It is a desolate body of water. Too cold for any kind of fish, it therefore attracts no birds. Man and dog alone of all living things survive so far above the rest of the world.

On the northwest side of this lake, on the St. Bernard Pass, near a small brook, are stones marking the Italian frontier. Nearby stands a stone cross, erected in 1315, and a tall bronze statue of St. Bernard on a lofty pedestal.
